

INTERNATIONAL CHARACTER TRAINING PROGRAM

Dear Brother and Sisters in Christ,

Thank you for your interest in receiving training to teach yourself and your child important qualities of Godly character. The character lessons, workbooks and character songs have been developed especially for children between 5 -12 years of age. Tools for evaluating the development of the character of the child are included in the curriculum.

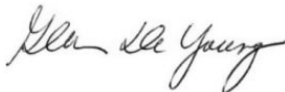

Through this training course you will learn....

- 1. ...how your Christian character values relate to your Christian faith***
- 2. ...what importance the Bible gives in the teaching of godly character***
- 3. ...what the word "character" means, and why the teaching of character is important***
- 4. ...and be taught six different teaching methods to help your children remember and practice what you teach them***
- 5. ...and be taught six different teaching methods to help your children remember and practice what you teach them***
- 6. ...through a practical class exercise, how to teach character lessons to children.***

At the completion of your time of video character training, you will be equipped to teach nine important character lessons to children. The www.ecmin.org website you will give you free downloads of character lessons, workbooks for children and character songs.

As a parent or a teacher, you will reap the benefits in your life, as you live and teach your children about a life of godly character.

May the Lord bless you, as you bless the lives of children, with His truth!
